# *Modesty Standards*

We understand that people may have different opinions of what is "modest". However, in our experience, it is best to set one standard. We will regularly and consistently enforce these guidelines. Our desire is not to be needlessly legalistic, but we must have a common standard to enforce the rule. We also have asked our staff, chaperones, and small group leaders to comply with these standards.

## Females:

- Shorts should be appropriate length (no shorter than the tip of the index finger when standing straight).
- No spaghetti strap tank tops (all straps should be at one inch wide), strapless tops, or tube tops. Off the shoulder shirts are permitted as long as it falls within the modest guidelines.
- No clothing that reveals the stomach, bra, extended back, or cleavage.
- No offensive slogans, graphics, or profanity on clothing.
- Bathing suits should be modest. You do not have to have a one piece, but please use common sense as to what you should wear.
